1.1. This is an application for a new premise licence under the Licensing Act 2003.

1.2. The new application is to allow:

- **The sale by retail of alcohol, on supplies only, Mondays to Sundays from 11:00 until 23:00; and**
- **The premises to be open to the public, Mondays to Sundays from 07:00 until 23:00.**

Health and Safety	No
Trading Standards	No
Public Health	No
Safeguarding Children	No

Local residents	Yes: Two local residents and one local councillor.
Other bodies	No:

2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. These premises are located in the Angel and Upper Street Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 2.3. If the Licensing Sub-Committee grants the application it should be subject to:
 - i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 3); and
 - ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

3. Background

- 3.1. This new premises licence application was received by the licensing service on 30th November 2023. The application and any supporting documents are detailed at Appendix 1 of this report.
- 3.2. During the consultation period there were representations from the Metropolitan Police and the Council's noise service. Through engagement with the applicant, both Responsible Authorities agreed conditions of approval and withdrew their representation. These conditions of approval are detailed at Appendix 3 of this report.
- 3.3. At the time of writing this report there were outstanding representations from two local residents and one local councillor. These representations are detailed at Appendix 2 of this report.

4. Implications

4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190.00. Should the application be refused, the fee is not refundable.

4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. **Equalities Impact Assessment**

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

4.5. **Planning implications**

- 4.5.1. The property is within Angel Conservation Area.
- 4.5.2. There are no planning objections regarding the proposed use or relevant restrictions in relation to opening hours.
- 4.5.3. There are no enforcement cases open in relation to the property.
- 4.5.4. As such, the planning department has no further comments on the application.

5. **Conclusion and reasons for recommendations**

- 5.1. That the Licensing Sub-Committee determines this application.

Appendices:

- Appendix 1: application form;

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the

person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:

- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Terrie,

I object to this application on the basis that the suggestion of a brunch menu conflicts with the aspiration to stay open to 11pm, and which suggests that vertical drinking will take place, and which in turn risks conflicting with the policy of not adding to the negative amenity of the cumulative impact area.

I do not wish to act as a witness for the resident.

Thanks and regards,

Dear Ryan,

Can we please be absolutely clear that this does not impact on the cumulative impact area. I am slightly concerned that the applicant refers to adding a 'brunch menu' but wishes to stay open until 23:00. I think this needs to be clarified.

NAME [REDACTED]

ADDRESS: [REDACTED]

I am making comments in relation to the application for a new licence at Brunch on the Green, 34 Islington Green

I am a resident of [REDACTED] The property has a glass front door and deliveries to residents are frequently left in the lobby visible to persons outside. In the past we have had trouble with unauthorised entry (police called) and theft of packages. While not confirmed to be related to abuse of any licensing terms, associated noise and rowdyism suggests this has been a feature of some disturbances.

I find it rather strange that an establishment calling itself **Brunch** on the Green – requires an alcohol licence to 11 pm each night of the week.

Accepting this application as it has been made can only increase the risk of crime and public order disturbance and is likely to concern especially single occupants of the Flats. The Licensing Service needs to consider whether such a risk is acceptable to minimisation of crime and disorder.

I noted the licensing times at a public house in the Leicester Square area where the end times for weekend days are different to those during the week.

I am not opposing granting a new licence but would urge the Licensing Service to consider appropriate times when alcohol can be served. I assume that Islington Borough Council will take full responsibility for any damage to persons or property directly resulting from any new licence granted to this establishment.

Many thanks for consideration of my comments.

Yours faithfully

24.12.2023.

Dear Sirs,

I write to object to the granting of a premises licence in respect of the above application.

There is likely, given that the application to sell alcohol is for 11am to 11pm, that public nuisance (e.g. excess rubbish) is inevitable. Likewise crime and disorder. Public safety would for the same reason be at risk. Above all, the question of the Councils Saturation Policy come into the equation. Camden Passage is already over saturated with alcohol outlets. It is time the Council get a grip.

Yours faithfully,
