Noise	Yes:

2. Recommendations

2.1. To determine the TEN under Part 5 of the Licensing Act 2003 as the Licensing Sub-Committee consider appropriate for the promotion of the Licensing Objectives.

2.2. The Committee can decide to:

- i. allow the TEN for the specified event.
- ii. allow the TEN, subject to one or more conditions of the existing premises licence; or
- iii. prohibit the TEN by way of a counter notice.

3. Background

3.1. The premises, both ground floor and first floor, have been licensed by Islington Council for sale of alcohol and regulated entertainments since at least 2005.

3.2. There have been several different owners for this premises, and in 2008 the licence was subject to a summary review.

3.3. The current premises licence holder, SEO Joint Ltd, transferred onto this licence on 18 October 2023.

3.4. An application for a new premises licence by SEO Joint Ltd was received by the Council's Licensing Service on 5th January 2024, to allow licensable activities until 4am on Thursdays to Saturdays.

3.5. The Council's Noise Service submitted a representation in response to this Temporary Event Notice on 1st February 2024, the representation can be found at Appendix 2 of this report.

4. Implications

4.1. Financial Implications

- 4.1.1. The Head of Finance reports that the applicant has paid the application fee of £21:00. Should the application be refused, the fee is not refundable.

4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.

4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030

- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly, or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

4.4. Equalities Impact Assessment

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

5. Conclusion and reasons for recommendations

- 5.1. That the Licensing Sub-Committee determines this application.

Subject: RE: TEN RA: Drip London, BASEMENT to FIRST, 27 Clerkenwell Road, London, EC1M 5RN.

Dear all,

The Pollution Team objects to the TEN due to several complaints received in the last couple of weeks.

Complaint received on 20/01/24, 03:24. Officers called back at 03:57 but music ad stopped.

Complaint received on 21/01/24, 00:52. Officers called back at 01:08 but no response from reporter.

Complaint received on 21/01/24, 19:44. Officers called back at , no answer. Officers visited at 21:21 but no noise audible from outside.

Complaint received on 21/01/24, 23:06. Officers called back at 23:20, no response. Officers visited at 00:04 and made assessment outside. The doors were shut but could hear low level bass coming from the venue. Officers decided that levels not loud enough to intervene unless they could assess from within the reporter's residence.

Complaint received on 29/01/24, 01:20. Officers called back at 01:25, no response. Officers visited location at 01:36. Loud music and bass audible from outside, approximately 20 metres away. They visited the venue and spoke to the supervisor, known as Mark. They made him aware of the noise issue and asked if there was a noise limiter, he replied yes and the officers asked if they could view it. Mark told them that the limiter was not set up. The noise was reduced and officers left at 01:54.

Complaint received on 30/01/24, 23:35. Officers called back at 23:46 but had no response. Location visited by officers at 02:30, no noise witnessed outside.

Complaint received on 31/01/24 at 00:56. Officers called back at 01:25 but no response. Location visited at 02:30, no noise witnessed outside.

The licensee had made an application for a premises licence on the 5th January 2024. A representation was made following an objection by the pollution team, with conditions to control any noise issues received. These so far to date have not been agreed.

Further to my objection to the TEN, a previous TEN had been objected to in December 2023 and the

representative informed that noise limiter(s) would be set up. To date, the pollution team has not received any calibration certificate. Based on the visit carried out by our ASB officers on the 29th January 2024, the limiter had not been set up.

The pollution team is of the opinion that if the TEN is allowed and the event goes ahead, local residents will be disturbed.
