Barnsbury	Culpeper Community Garden Association	Colour for Culpeper Park- Replanting and rewilding of Planters & wildlife area	Aims & objectives, to continue to improve Culpeper Park, and the nearby planters, with new plantings, flowers and herbs. Their main objective is to encourage at least 6 local people from Dewey Street to work with Culpeper volunteers on this task. 1. Plant with drought-tolerant species of herbs 4 large planters located at Dignum Street, Dewey Road and Maygood Street. 2 of these were originally planted up by Culpeper Garden as part of their Herbs & Healing project in 2019, managed by their Project Worker and using both Culpeper volunteers and local people. 2. Create a mini-wildflower meadow using seeds and plug plants along the edge of the boundary of the Park & the Garden- the meadow will be protected by a living willow fence also to be designed and built by Culpeper Volunteers and their local neighbours. 3. Create 3 tree pits around larger trees along the boundary pathway at the dewey Road end of the Park.	Culpeper Park, Tolpuddle Street	May-24	Nov-24		Barnsbury 10 Cannonbury	Does not give a figure but would benefit the community at large.	650	£1,079	£395	
Barnsbury	Heritage Charity London	HCL's Community Walking Project	The "HCL Community Walking Project" at Barnard Park is a family-oriented initiative organised by Heritage Charity London, aiming to promote physical activity and strengthen familial bonds in Islington. The project encourages children and one parent to engage in regular walking activities, fostering a healthier lifestyle and a deeper connection to the local community. Carefully selected walking routes provide opportunities for families to explore and engage with their neighborhood, advocating the numerous benefits of walking and promoting overall well-being. The objective is to enhance the quality of life for participating families and instill healthy habits that last a lifetime. The walking project is designed to run twice per week supporting 40 community beneficiaries per week for an entire month. Clerkenwell	Artistry Youth Dance	'Testimony' - a youth dance project	The project aims to develop dance, performance, and choreography skills amongst a select group of young people from youth dance company, Artistry Youth Dance. The project will engage participants in a series of dance workshops, whilst working with 2 professional choreographers. The dance styles included will be dance forms of the African Diaspora (Caribbean and/or African dance styles), fused with Jazz and Contemporary dance, providing the chance to learn about the cultural heritage of the styles. This follows on from successful projects delivered in 2022 and 2023 that we aim to deliver to new young people. The proposed workshop will take place over a twelve week period between 15 April and 31 August, 2024. The project will culminate in a public performance scheduled for August 2024, to be held at Lilian Baylis Studio theatre, Sadler's Wells - benefiting Islington residents by enabling them to see dance and young people perform. Seeking for Choreographer x 2 fee - 20 hrs @ £50/hr £1000 x 2	Sadler's Wells - Rosebery Ave, EC1R 4TN The Dang - 259-263 Goswell Rd., London EC1V 7AH	Apr-24	Aug-24		Holloway 100, Clerkenwell, 315	415	175	5,812	3,812.40		unsecured match funding £1,262.40 Sadler's Wells
Clerkenwell	Bridging the Gap Islington	Mentoring Bethany House residents	Bridging the Gap Mentoring provides volunteer mentors for people at risk of homelessness or rebuilding their lives after experience of the criminal justice system or substance misuse. They recruit, train and support mentors. Mentors are individually matched with a service user. They will meet the service user about once a week for four months. Mentors encourage and support service users to achieve goals chosen by the service user, they have worked with Bethany House residents and staff over many years. Their volunteer mentors meet some Bethany House residents regularly each week and help them with financial issues, finding places to live and generally integrating into the London community. Midlway	The Garden Classroom	The Wonderful World of Bees	The Wonderful World of Bees - ten, full day, hands on sessions for groups of 8-10 SEN children attending Samuel Rhodes School using their aparies in Gillespie Park building on previous work with the school. Samuel Rhodes is a specialist school attended by pupils with learning needs and pupils with a range of different diagnoses (e.g. MLD, complex autism, ADHD, ODD, severe speech and language delay, down's syndrome). The Garden Classroom teaches children about the important role of bees in the ecosystem and showing them how they can help to protect bees. As well as visiting the hives, children learn about the uses of wax and make wax candles, learn bee facts and explore the concept of pollination through engaging drama. Last year they worked with 108 children in their bee sessions with over 70% of these being SEN beneficiaries. Funding to pay for the facilitator and the beekeeper for 10 days.	Gillespie Park Nature Reserve	Apr-24	Aug-24	April to August 2024, ten full day sessions delivered weekly during term time	Pupils of Samuel Rhodes School	80 from across Islington	669	3,450	E1,000 school (subsidised rate of £100 per session)	
Midlway	Wells Court Communal Garden	25-35 Wells Court Communal Garden Improvement Project.	The project aims to improve the communal garden at block 25-35 Wells Court for the benefit of all, by adding nature-friendly planting to boost biodiversity and improve wellbeing and mental health of residents. This is not a constituted group but the funds will be held by LBI Gardening project. The total costs of £330.86 will go towards planting shrubs in the Summer of 2024. There will be 11 households involved in this project and a total of 20 Islington Residents volunteering to improve the local area.	25-25 Wells Court	Jul-24	25-Jul	Shrubs will be planted in the Summer July 2024	11 households with 20 residents will be involved with planting these improvements in the communal garden	20	330.86	330.86	N/A
