## 2. Recommendations

- 2.1. To determine the application for a new premises licence under Section 17 of the Licensing Act 2003;
- 2.2. These premises are located in the King's Cross Cumulative Impact Area therefore the Licensing Sub-Committee will need to consider Licensing Policy 3, which states that there is a presumption of refusal unless the Sub-Committee is satisfied that there will be no adverse cumulative impact on the licensing objectives.
- 2.3. If the Licensing Sub-Committee grants the application it should be subject to:
  - i. Conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 4); and
  - ii. Any conditions deemed appropriate by the Licensing Sub-Committee to promote the four licensing objectives.

## 3. Background

- 3.1. This premises licence application was received by the Licensing Service on 28<sup>th</sup> February 2024.
- 3.2. Representations were received from the Licensing Authority, Licensing Police, Trading Standards and the Council's Noise service. These representations have all been withdrawn after agreements were reached regarding a reduction in the original hours for licensable activities being sought and/oconditions if approval.
  - The amended hours for licensable activities are those detailed at 1.2 of this report and agreed conditions of approval can be found at Appendix 4.
- 3.3. At the time of writing this report there are two local resident representations outstanding, one other resident representation was withdrawn after their original concerns were satisfied. The outstanding representations are at Appendix 2.
- 3.4. The applicant, on considering the concerns raised within the resident representations, submitted a response for their consideration. This correspondence can be found at Appendix 3.

## 4. Implications

#### 4.1. Financial Implications

4.1.1. The Head of Finance reports that the applicant has paid the application fee of £190. Should the application be refused, the fee is not refundable.

#### 4.2. Legal Implications

- 4.2.1. The legal implications are set out in Paragraph 2.
- 4.2.2. Legal advice will be provided at the meeting of the Licensing Sub-Committee as necessary.
- 4.3. Environmental Implications and contribution to achieving a net zero carbon Islington by 2030
- 4.3.1. The Licensing Sub-Committee need to consider the impacts that that proposals will have on the environment. An impact is defined as any change to the environment, whether positive or negative, wholly or partially resulting from Council activities. Almost all human activity has some impact on the environment, and it is very unlikely that any activity will not have any implications.

#### 4.4. Equalities Impact Assessment

- 4.4.1. The council must, in the exercise of its functions, have due regard to the need to eliminate discrimination, harassment and victimisation, and to advance equality of opportunity, and foster good relations, between those who share a relevant protected characteristic and those who do not share it (section 149 Equality Act 2010). The council has a duty to have due regard to the need to remove or minimise disadvantages, take steps to meet needs, in particular steps to take account of disabled persons' disabilities, and encourage people to participate in public life. The council must have due regard to the need to tackle prejudice and promote understanding.
- 4.4.2. An Equalities Impact Assessment is not required in relation to this report, because this is a decision relating to a Premises Licence application under the Licensing Act 2003.

#### 4.5. Planning implications

- 4.5.1. The Council's planning service advised the below in response to notice of the application.
- 4.5.2. The property is not statutorily listed but is located within the Chapel Market/Penton Street conservation area (CA33).
- 4.5.3. The property has an established lawful Class E use, as the unit was a retail shop from at least June 2008.
- 4.5.4. There is no relevant planning history for the site or open enforcement cases for the site. As such the Planning Department have no further comments to make.

## 5. Conclusion and reasons for recommendations

  - evidence of the applicant's own identity such as a passport,
  - evidence of their relationship with the European Economic Area family member e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**RE - 27 BARON STREET** 

Dear Sir / Madam,

I am the property owner of in the first floor flat for 15 years. I am writing this on behalf of all residents at

I would like to express our concerns regarding the license application being made.

The 'times' applied for, 12 - 1.30am Monday - Sunday are inappropriate. The premises is situated in a residential area and a bar open this late will no doubt disturb the many people who live here. There are no other businesses licensed to sell alcohol this late in the vicinity that I am aware of.

The applicant has another bar around the corner at 10 Chapel Market. My partner and I have both witnessed loud drunken behaviour from the bar's customers. I did complain to the owner shortly after they opened a couple of years ago but stopped short of reporting it to the council in the spirit of being neighbourly. As our bedrooms are at noise disturbance from 10 Chapel Market is minimal. 27 Baron Street however is a few yards from the rear of our property.

I have personally strived to establish a peaceful environment for our household and our neighbours. I have made many complaints over the years about noisy and disorderly behaviour from a handful of temporary neighbours who have since moved on leaving our peculiarly residential area quiet and for the most part tranquil. It is inconceivable to me that the addition of a late night bar would not disturb and be a nuisance to the many surrounding residents most of whom work normal 9-5 hours.

Having lived here for 15 years I can state with confidence that the majority of trouble we witness or disturbance we encounter comes from the drunken customers of the few bars and pubs. The saving grace is that they appear to be shut by 11pm and by 12 most nights it is quiet.

The prospect of a late night bar right in the middle of our peaceful 'hamlet' seems entirely inappropriate.

Yours sincerely,

Hello

I would like to note I have submitted a complaint online (3685677) in reference to the license application in the subject but I wanted to go ahead and send this in writing as well as I have very strong stances on their choice of operation hours.

The restaurant/business applying at 27 Baron Street N19ET is requesting a license to operate until 2 am, Monday to Sunday, and serving alcohol and food until 1:30 AM all week.

This is unacceptable as it will cause a huge increase in anti social behaviour which is already high due to the pubs around. To operate until these late hours on weekdays will cause a huge disturbance to residential neighbours and personally who has already had to suffer through their construction phase where they often worked outside allowed hours of 8 am to 6pm.

And serving alcohol this late in the area will be dangerous not only for residents but for the patrons themselves.

I absolutely am against the operating hours applied for as the noise pollution around is already high.

Thank you for your time and consideration.

Dear Neighbours and Community Members,

We understand that there have been several concerns regarding our license application for the establishment at 27 Baron Street, and we want to take a moment to address these concerns directly and transparently.

First and foremost, please rest assured that we are a small restaurant committed to being a positive and respectful member of our community. Throughout this process, we have engaged in extensive consultations with the Senior Environmental Health Officer of the Environmental Pollution, Policy and Projects Team, Climate Change and Transport Division, Environment and Climate Change Department; the Licensing Manager of Regulatory Services, Community Safety, Security, and Resilience; and police officers.

These discussions have led to adjustments in our operating hours and the implementation of measures to address the various concerns that have been raised.

Our revised operating hours are as follows:

- Sunday to Wednesday: We will close by midnight, with the last service at 11:30 PM.
- Thursday to Saturday: Our closing time will extend to 1:30 AM, with the last service at 1:00 AM.

We are dedicated to minimizing noise and ensuring our operations do not negatively impact our neighbours. To this end, we have agreed to several conditions with local authorities, including soundproofing measures, managing outdoor areas to prevent gatherings that could lead to noise or disturbances, and strictly managing the sale of alcohol.

We fully understand the concerns about noise, public nuisance, and the potential for disturbances. Please know that we share your desire for a peaceful and safe neighbourhood. Our team is committed to adhering to all regulations and working proactively to mitigate any issues that may arise. We aim to coexist harmoniously within our community, offering a welcoming space for residents and visitors alike while ensuring we do not disrupt the tranquillity of our area.

Should you have any further concerns or wish to discuss this matter more openly, we are more than willing to meet over a cup of coffee, listen to your thoughts, and explore ways to address any remaining issues. Our goal is to build a relationship based on trust and mutual respect with our neighbours.

We appreciate your time and consideration in understanding our position. We look forward to the opportunity to contribute positively to our community and to reassure you of our commitment to being responsible and considerate neighbours.

Kind Regards, Jack Kim
