58. IMPLEMENTING EXECUTIVE DECISIONS

In order to allow for call-in, no executive key decision (whether made by the Executive, a committee of the Executive or an officer) can be implemented until three working days after the decision has been published, unless it is urgent under Rule 67 of the Scrutiny Procedure Rules.

The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the Scrutiny Committee. Where the account to be given to the Scrutiny Committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for preparation of that documentation.
- (c) Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the Scrutiny Committee shall in consultation with the member or officer arrange an alternative date for attendance, to take place within a maximum of 10 days from the date of the original request, unless it is possible to arrange for the attendance of an acceptable alternative.

Copies of the notice will be sent to all members.
- 66.3 Valid notice of call-in is one which:
- (a) is submitted by any five members of the Council (who, where the matter in question relates to the Council's education functions, may include co-opted members appointed in accordance with the terms of reference set out in Part 5 of these rules);
 - (b) gives reasons in writing for the call-in, together with a positive or additional course of action and states whether or not those members believe that the decision is contrary to the policy framework or contrary to or not wholly in accordance with the budget; and
 - (c) is submitted to the Proper Officer within three working days of the date of the publication of the decision.

- 66.4 If no request is received, the decision is effective immediately after three working days have expired since the date upon which it was published.
- 66.5 On receipt of a valid notice of call-in, the Proper Officer will:
- (a) notify the decision taker, the Chief Executive and the relevant chief officer;
 - (b) if the request for the call-in states that the reason for it is that the decision is outside the budget or policy framework, refer it to the Monitoring Officer who shall decide whether this is the case; and

- (a) The decision maker shall reconsider the decision and shall either amend the original decision so that it is in accordance with the budget or policy framework as advised by the Monitoring Officer/Chief Finance Officer/Chief Executive or confirm that it does not intend to do so in which case the decision will be referred to Council for debate and decision;
 - (b) If the decision maker amends the decision, that decision shall take effect immediately and no further call-in is permitted;
 - (c) If the decision maker does not amend the decision, the Council must meet within 10 working days of the publication of confirmation of this fact. The

decision maker must prepare a report to Council setting out the reasons why it wishes to take the decision notwithstanding the fact that, if implemented, it would be outside the budget or policy framework;

- (d) At its meeting, Council may only proceed as provided for in paragraph 75.3;
- (e) If a matter is referred back to the decision taker by Corporate Resources and Economy Scrutiny Committee, in circumstances where the Corporate Resources and Economy Scrutiny Committee did not consider the decision to be contrary to the framework or contrary to or not wholly in decision taker may either amend its decision or choose not to do so. Its decision in this respect shall be final and no further call-in shall be allowed in respect of that matter.

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

72. THE FRAMEWORK FOR EXECUTIVE DECISIONS

The Council will be responsible for the adoption of the budget and policy framework as set out in Article 4. Once the framework is in place, it will be the responsibility of the Executive to implement it. Those provisions in these Budget and Policy Framework Procedure Rules which are mandatory standing orders under the Local Authorities (Standing Orders) Regulations 2000 and therefore cannot be deleted are indicated by an asterisk.

73. PROCESS FOR DEVELOPING THE POLICY FRAMEWORK

- 73.1 The Executive shall prepare the plans and strategies in the Policy Framework to be recommended, for adoption, to the Council.
- 73.2 The Executive may refer any such plan or strategy to be considered by the relevant Scrutiny Committee, prior to its being formally recommended for approval to full Council by the Executive in accordance with paragraphs 73.3 and 73.4 below.
- 73.3 Those plans or strategies which are not referred to be considered by a Scrutiny Committee, shall be considered by full Council at the appropriate time (bearing in mind any statutory deadlines for such plans). In considering such plans, Council shall have before it a report from the Executive that contains specific recommendations as to content.
- 73.4 In respect of those plans which the Executive has referred to a Scrutiny Committee, the Executive or officer shall prepare reports and recommendations for submission to the relevant committee in sufficient time (taking into account the timetable for the plans and strategies agreed by Council) for them to give proper consideration to the proposals and if they so wish to prepare a report to the Executive setting out their own proposals.
- 73.5 The Executive shall consider any report produced under 73.4 above and shall then make a report to Council recommending the adoption of the plan or strategy concerned (with or without any amendments or additions made as a result of the Scrutiny Committee report).
- 73.6 The Council may accept the recommendations made or resolve to adopt the plan or strategy, subject to any amendments it considers appropriate but in doing so, it shall have regard to the contents of any report prepared by a Scrutiny Committee.
- 73.7 Where the Council objects to or wants to amend the proposals then, before doing so, or approving them for the purpose of submission to the Secretary of State or Minister of the Crown for their approval, it must inform the Leader of any objections which it has to the draft plan, policy or strategy and must, unless the Leader agrees those amendments at that meeting, give instructions requiring the Executive to reconsider the proposals in the light of those objections.
- 73.8 Where the Council gives instructions in accordance with the preceding paragraph, it must specify a period of at least ten days beginning on the day after the date on which

the Leader receives the instructions on behalf of the Executive, within which the Leader may submit to Council for reconsideration either, a revised draft of the plan, policy or strategy together with the Executive's reasons for any amendments or, details of those aspects of the Council's objections that the Executive disagrees with and the reasons for any such disagreement.

- 73.9 When the period specified in the preceding paragraph has expired the Council must, when amending or adopting the plan, policy or strategy or approving it for the purpose of submission to the Secretary of State or Minister of the Crown for approval, take into account any amendments included in any revised draft plan, policy or strategy submitted by the Executive within the required period, the Executive's reasons for those amendments, any disagreement that the Executive has with any of the Council's objections and the Executive's reasons for that disagreement.

74. PROCESS FOR SETTING THE BUDGET

- 74.1 The Executive's initial proposals shall be referred to the Corporate Resources and Economy Scrutiny Committee. The Corporate Resources and Economy Scrutiny Committee shall canvass the views of local stakeholders if it considers it appropriate in accordance with the matter under consideration and having particular regard not to duplicate any consultation carried out by the Executive. The Corporate Resources and Economy Scrutiny Committee shall report to the Executive on the outcome of its deliberations. The Corporate Resources and Economy Scrutiny Committee shall have two weeks to respond to the initial proposals of the Executive, unless the Executive considers that there are special factors that make this timetable inappropriate. If it does, it will inform the Corporate Resources and Economy Scrutiny Committee of the time for response when the proposals are referred to it.
- 74.2 Having considered the report of the Corporate Resources and Economy Scrutiny Committee the Executive, if it considers it appropriate, may amend its proposals before submitting them to the Council meeting for consideration. It will also report to Council on how it has taken into account any recommendations from the Corporate Resources and Economy Scrutiny Committee.
- 74.3* The Council will consider the proposals of the Executive and may (subject to Procedural Rule 74.4):
- (i) adopt them; or
 - (ii) amend them; or

74.4* If this consideration takes place before 8 February in any financial year and if following consideration of the proposals, the Council has any objections to them, before making its decision, it shall inform the Leader of the objections and instruct the Leader to require the Executive to reconsider its proposals in the light of those objections, in which case the following requirements shall apply;

If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by the Council, then that decision may only be taken by the Council.

75.2 If the Executive, committees of the Executive, individual members of the Executive and any officers, or jointly constituted bodies discharging Executive functions want to make such a decision, they shall take advice from the Monitoring Officer and/or the Chief Executive and Chief Finance Officer, as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of any of those officers is, that the decision would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget, then the decision must be referred by that body or person to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 76 shall apply.

75.3 If the matter is referred to Council, Council may either:

- (a) Endorse a decision or proposal of the Executive decision taker as being in accordance with the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way and decision will take effect immediately; or
- (b) Where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to, or not wholly in accordance with, the budget, but does not object to it, it can take the decision itself. In those circumstances, the decision will come into effect on the passing of a resolution to that effect; or
- (c) Where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to, or not wholly in accordance with, the budget and does object to it, it may resolve that the decision not be taken. Such a resolution shall not prevent the Executive from reconsidering the matter and later taking a decision in respect of it, which is not contrary to the policy framework or contrary to or not wholly in accordance with the budget.

76. URGENT DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 76.1 The Executive, a committee of the Executive, an individual member of the Executive or officers, or jointly constituted bodies discharging Executive functions may take a decision, which is contrary to the Council's policy framework or contrary to or not wholly in accordance with the budget approved by full Council, if the decision is a matter of urgency. A decision will be urgent, if any delay in taking it would seriously prejudice the Council's or the public interests and it is not practicable to convene a quorate meeting of the full Council within the Access to Information Rules.
- 76.2 The Chair of the Corporate Resources and Economy Scrutiny Committee must agree, in writing, that the decision must be taken as a matter of urgency. In the absence or inability to act of the Chair, the consent of the Mayor, or in their absence, or inability to act, the Deputy Mayor, shall suffice. The reasons why it is not practical to convene a quorate meeting of full Council and the consent to the decision being taken as a matter of urgency, must be noted on the record of the decision.
- 76.3 Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

77. VIREMENT

- 77.1 In approving the budget and policy framework or any part of it, the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework (or the relevant part of it as the case may be) which may be undertaken by the Executive, in accordance with paragraphs 77 and 78 of these Rules (virement and in-year adjustments), subject to paragraphs 77.2 and 77.3 below. Any other changes to the budget and policy framework are reserved to the Council.

77.2 Chief officers are authorised to vire budget provision between budget heads within their departments, subject to limitations set out in the Financial Regulations, contained within Part 6.

77.3 The Executive may at any time during the financial year and after considering a report of the Chief Finance Officer, make changes to the revenue and capital budgets in accordance with the Financial Regulations contained within Part 6.

78. IN-YEAR CHANGES TO POLICY FRAMEWORK

The responsibility for agreeing the budget and policy framework lies with the Council and decisions by the Executive, a committee of the Council, member of the Executive or officers, or jointly constituted bodies discharging Executive functions must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by the Executive, a committee of the Executive, member of the Executive or officers, or jointly constituted body discharging Executive functions, except where Council has agreed this at the time of agreeing the budget or relevant policy or strategy.

100.3 Following the initial meeting, the Job Description and Person Specification will be reviewed (or created for new posts) by the Director of Human Resources, based on the outcome of the meeting and existing job descriptions, for initial approval by the Chief Executive or relevant Corporate Director.

100.4 If the Job Description and Person Specification have been significantly amended or it is a new post, HR will arrange for the post to be evaluated and the cost of the evaluation will be charged to the relevant department. The result of the job evaluation will be communicated to the Chief Executive for confirmation to proceed with the recruitment.

The post will be advertised in the relevant media and recruitment searches undertaken where necessary by the recruitment agency. An update will be sent to the Employment and Appointments Committee at the time of publication of the advertisement.

100.7 In some situations it may not be necessary to advertise, e.g. where a post has been re-designated, where duties have been added to or taken from an existing job description or where the council's redundancy or redeployment procedures require an individual to be assimilated or ring-fenced to a post (whether following interview or otherwise).

100.8 The Chief Executive, or a Corporate Director may hold informal discussions with candidates or potential candidates prior to the close of the application period.

100.9 All application forms, the job description and person specification, will be made available to the longlisting panel, which will normally comprise the Chief Executive, the Chair of the Employment and Appointments Committee (or a substitute), the Executive Member portfolio holder, the relevant Corporate Director,

the Director of Human Resources, and a representative from the recruitment agency, if appropriate.

- 100.10 The Longlisting panel will compare applications with the person specification in order to determine which candidates will go forward to the next stage and will include the observations of the recruitment agency.
- 100.11 The longlisting panel will determine the process to be used for each post, taking into account the advice of the HR partner.
- 100.12 The Human Resources representative present will record details of the meeting and circulate a record of the meeting to the Employment and Appointments Committee.
- 100.13 The recruitment agency will notify candidates that they have been selected for preliminary interviews and arrange their attendance in consultation with Human Resources. Unsuccessful candidates will also be notified by the recruitment agency.
- 100.14 Following longlisting, the preliminary interview will be conducted by the recruitment agency or other independent technical assessor with relevant expertise who may be accompanied by the Director of Human Resources or other relevant council officer(s). The purpose of this interview is to confirm that the longlisted candidates have the appropriate skills, level of technical knowledge and experience to go forward to the shortlisting stage and to inform the shortlisting process.
- 100.15 Based on the interviews, the agency or technical assessor will submit a report on the longlisted candidates. This report will be shared with members of the Employment and Appointments Committee, the Executive Member with portfolio responsibility and the Chief Executive as soon as it is available.
- 100.16 The Shortlisting interview is a formal meeting of the Employment and Appointments Committee. The Chair of the Committee will ensure that interview panels are diverse and are appropriate for the post and to decide the membership of each panel, following consultation with the committee and following the arrangements for substitution.
- 100.17 A pack of papers, including the application, supporting statement and the results of any technical assessments, will be compiled by Human Resources, together with a covering report for publication. The agenda for the meeting and the covering report will be published by Democratic Services by the statutory deadline for the meeting. The pack will be provided to Democratic Services for circulation to the members of the Employment and Appointments Committee, ideally a week before the formal shortlisting meeting.
- 100.18 The Employment and Appointments Committee will consider the shortlist for final interview, following consultation with the Chief Executive and technical experts, if appropriate. At the conclusion of its deliberations, the Employment and Appointments Committee will determine which candidates to move forward to the interview stage. At the shortlisting meeting, the Committee will also:
- receive advice regarding the tests to be used

- offer advice and agree on areas for testing for the final interview and
- determine the presentation topic

- 100.20 A formal minute of the meeting will be produced and circulated by Democratic Services.
- 100.21 Following the shortlisting meeting, Human Resources will draft any tests, questions and presentation topics for consideration by the Chief Executive. If the committee agreed to use occupational testing, Human Resources will make arrangements for testing to be carried out.
- 100.22 The results of the testing will be made available, via Democratic Services, to members of the Employment and Appointments Committee prior to the final interview.
- 100.23 All candidates, internal or external, will need to supply two referees who can comment on their suitability for the post. The recruitment agency or Human Resources will normally request the references before the final interview stage. They must normally be available in writing prior to the final interview.
- 100.24 The final interview is a formal meeting of the Employment and Appointments Committee. The meeting will be organised and clerked by Democratic Services, and will follow the usual procedure rules for formal committee meetings. The members sitting on the panel will have received appropriate training.
- 100.25 A pack of papers, including the application, supporting statement and the results of any further assessments and tests carried out, will be compiled by Human Resources, together with a covering report for publication. The agenda for the meeting and the covering report will be published by Democratic Services by the statutory deadline for the meeting. The pack will be provided to Democratic Services for circulation to the members of the Employment and Appointments Committee, a week before the formal interview meeting.

- 100.29 At the conclusion of the interviews, the Employment and Appointments Committee will deliberate and assess the candidates before coming to a decision. The panel

will seek to come to an agreement about which candidates are appointable.

- 100.30 Where possible a decision should be reached by consensus and where more than one candidate is appointable, the panel should rank those appointable candidates. The procedure rules on voting at formal committee meetings will apply.
- 100.31 The Employment and Appointments Committee shall agree the salary at which the successful candidate should be offered the post.
- 100.32 Democratic Services will minute the meeting and be responsible for collecting in all the notes made by the panel members. These notes should then be passed to Human Resources for inclusion in the recruitment file.
- 100.33 The Director of Human Resources will notify all candidates of the decision of the Employment and Appointments Committee as soon as possible after the date of the meeting.

However, no offer in excess of the agreed band shall be made without the express approval of the Employment and Appointments Committee (either on the day that the decision to appoint or at a subsequently convened meeting). In the case of the appointment of a Chief Executive, the Director of Human Resources, following consultation with the Chair of the Committee, will make the final decision on starting salary, subject to the same restrictions.
- 100.38 Human Resources will send a provisional offer letter within five working days of notification by the Head of Democratic Services and Governance (in the case of appointment of a Chief Executive, following confirmation of the appointment at a Council meeting) and a draft contract of employment to the successful candidate. This will include salary details and state what conditions the offer is subject to. These will typically include:

- Proof of identity and eligibility to work in the UK
- Medical clearance
- Satisfactory disclosure through the DBS
- Evidence of qualifications.

100.39 Feedback (if requested) to unsuccessful candidates following the preliminary interview will be made by the recruitment agency or Human Resources. Feedback following the final panel interview will be given to candidates by the recruitment agency or the Director of Human Resources.
