### **3. Background**

- 3.1 The Public Services Pensions Act 2013 requires the establishment of local pension boards for each Local Government Pension Fund. Each administering authority must establish a pensions board no later than 1 April 2015.
- 3.2 Local Government Pension Scheme (Amendment) Governance Regulations 2014 (the Governance Regulations) provide that Pensions Board will have responsibility for assisting the

'scheme manager' (the Pensions Sub Committee in Islington's case) in relation to the following matters:

To ensure compliance with:

- the Local Government Pension Scheme Regulation (LGPS),
- other legislation relating to the governance and administration of the LGPS, and
- the requirements imposed by the Pensions Regulator in relation to the LGPS to ensure the effective and efficient governance and administration of the scheme.

3.3 The Pensions committee is the decision-making body of the Fund and the Pension board can only advise or make recommendations to the Pensions Committee

The Pension Board should therefore be mindful;

- Its work plan should take account of the Fund's own work programme and seek to add value
- Servicing the Pension board will consume Fund management resources and time
- Senior Fund officers servicing the pension Board may on some fund performance issues be personally compromised and conflicted
- Some work items required may need the use of specialist external consultancy resources rather than using the officers servicing the Fund.

### **The Draft 2023/24 Annual Pension Fund Report**

3.4 The draft annual report is legislated to be signed off by our external auditors KPMG and published by 1 December 2024 and includes the pension fund statement of account to March 2024, the fund activities, governance and performance. 3.5 The draft pension fund statement of accounts income and expenditure were produced and reviewed by the board at their last meeting in July. The auditing of the full accounts is currently on going.

3.6 Members are asked to comment on any matters in the draft Annual Report and amendments made by officers before the audit is completed and published by 1<sup>st</sup> December 2024.
