FORWARD PLAN OF KEY DECISIONS

This document sets out key decisions to be taken by the Executive and Corporate Directors within the next 28 days. It also includes potential key decisions beyond that period, though this is not comprehensive and items will be confirmed through the publication of a notice on the council's Democracy website 28 days before a decision is taken. All key decisions are published and searchable through the 'Search Decisions' page on <https://democracy.islington.gov.uk/>

It is likely that part of each Executive meeting will be held in private and will not be open to the public. This may be because an appendix to an agenda item will be discussed which is likely to lead to the disclosure of exempt or confidential information. The items of business where this is likely to apply are indicated on the plan below.

If you wish to make representations about why those parts of the meeting should be open to the public, please contact Democratic Services at least ten clear days before the meeting.

The report and background papers (if any) for any decision below will be available on <https://democracy.islington.gov.uk/> five clear days before the decision is taken, subject to any prohibition or restriction on their disclosure. Alternatively, please contact Democratic Services on 020 7527 3005 or via e-mail to democracy@islington.gov.uk to request the documents.

If you wish to make representations to the Executive about an agenda item, please note that you will need to contact the Democratic Services Team at least 2 days before the meeting date to make your request.

Please note that the decision dates are indicative and occasionally subject to change. Please contact the Democratic Services Team if you wish to check the decision date for a particular item.

A key decision is an executive decision (other than a decision which relates to the placement of an individual, be that an adult or child) which is likely to be financially significant, or to have significant effects on those living or working in two or more Wards.

A decision is deemed to be financially significant if: it involves expenditure, income or the making of saving of an amount in excess of £1m for capital monies or £500,000 for revenue monies, or, in respect of a disposal of land, where the proposed receipt (or reasonable pre-sale estimate in the case of an auction sale) exceeds £1.5m, or in respect of the acquisition of land or property, the proposed expenditure (or reasonable estimate prior to entering into the contract) exceeds £500,000

Key decisions are taken by the Executive. Corporate Directors may take key decisions on procurement matters up to £2m revenue or £5m capital; or on matters that have been specifically delegated to officers by the Executive.

Key decisions are taken by the Executive. Corporate Directors may take key decisions on procurement matters up to £2m revenue or £5m capital; or on matters that have been specifically delegated to officers by the Executive.
