

APPENDIX 3 - DELIVERY PROGRESS OF 2024/25
GENERAL FUND AGREED SAVINGS

TOTAL		10.770	5.457	1.604	7.689	0.311	2.770
Directorate	Summary Description	Planned Delivery			Amount forecast to be delivered in 2024/25 £m	Amount Forecast Undeliverable but offset by other variances 2024/25 £m	Amount Forecast Undeliverable £m
		2024/25 £m	2025/26 £m	2026/27 £m			
Adult Social Care	The introduction of a 7 day 'Recovery Model' of home care to reduce the demand for ongoing care services.	0.939	0.563	0.000	0.939	-	
Adult Social Care	The introduction of the new in-house re-ablement service will increase available capacity, increase face to face resident contact, increase the potential to maximise more peoples independence through a greater emphasis on strength based practise, reduce care packages and therefore reduce the demand for ongoing care services.	0.356	0.213	0.000	0.356		
Adult Social Care	Review of Mental Health contracted services to deliver good outcomes for residents and value for money.	0.125	-	0.000	0.125		
Adult Social Care	Review housing related floating support contract to reduce inefficiencies such as duplication of provision and deliver value for money.	0.120	-	0.000	0.120		
Adult Social Care	Refresh of older people's day services to provide more choice to residents and therefore reducing the need for homecare during the day.	-	0.100	0.000	-		
Adult Social Care	Review, redesign & re-procurement of Housing Related Support Services	-	0.100	0.000	-		
Adult Social Care	Review, re-design & re-procurement of Mental Health Early Intervention and prevention offer.	0.050	0.150	0.000	0.050		
Adult Social Care	Review, redesign and re-procurement of the Adult Social Care Wellbeing Service.	0.050	0.000	0.000	0.012	0.038	
Adult Social Care	Commission fewer beds at Hilldrop Road Care Home	-	0.100	0.000	-		
Adult Social Care	Introduction of charging for use of Assistive Technology	0.125	0.125	0.000	0.125		
Adult Social Care	Implement eligibility and charging policies for people receiving legacy Supporting People services.	0.200	0.250	0.000	0.200		
Children and Young People	Pupil Services:1) Elective Home Education - charging of general fund post to the DSG. 2) SEND transport	0.080	-	0.000	-	0.080	-
Children and Young People	Review of operating model in Children's Services to make efficiency savings by realigning the service to meet service needs at lower cost	0.077	0.027	0.000	0.077	-	-
Children and Young People	Reduction in scale of the motivational practice model in line with reduction in demand and budget and realignment of model to better reflect need and meet the requirements of the Children's Social Care Review once in force.	0.420	0.020	0.000	0.420	-	-
Children and Young People	Repurpose school premises houses	-	0.165	0.165	-	-	-
Communities, Strategy & Change	Redirecting money from commissioning budgets into the new Voluntary & Community Sector (VCS) grants programme to ensure local and more efficient delivery of services through our local VCS organisations	-	0.150	0.000	-	-	-
Communities, Strategy & Change	Reduced call volumes	0.330	0.000	0.000	0.330	-	-
Communities, Strategy & Change	Merging Call Centres	0.434	0.354	0.000	-	0.193	0.241
Community Wealth Building	Council Tax Support (CTS) - banded scheme. CTS is currently based on a discount of up to 95% for working age households. The Council proposing moving to a banded scheme for working age households, offering varying levels of discount linked to financial need. This will allow the CTS scheme to be better targeted on households most in need. A banded scheme would also be simpler to administer, generating a cost saving. All changes to CTS require public consultation and Full Council approval.	0.200	-	0.000	0.200		
Community Wealth Building	New administrative fee for adult social care self-funders who secure social care via the council. Introducing a new charge would require public consultation, so the full year income target would be achieved by 2024/25	0.040	-	0.000	0.040		
Community Wealth Building	New administrative charge for Appointeeships, where the council manages benefits income on behalf of adult social care users. Introducing a new charge would require public consultation, so the full year income target would be achieved by 2024/25	0.040	-	0.000	0.040		
Community Wealth Building	The Council is developing its long term approach to flexible and hybrid working - the FutureWork Programme. This work has identified excess office space which will be released to generate both cost savings and additional income, as well as creating opportunities to build new Council homes.	0.793	0.069	0.000	-		0.793
Community Wealth Building	Restructure corporate landlord services	0.375	0.000	0.000	0.375		
Community Wealth Building	Additional income from commercial estate	-	0.400	0.000	-		
Cross-Cutting	Corporate Transformation Review	0.235	0.449	0.088	0.235		
Cross-Cutting	Simplifying and automating administrative processes	0.172	0.539	1.270	0.172		
Cross-Cutting	Encouraging Apprenticeships	0.290	0.124	0.000	0.290		
Cross-Cutting	Enhanced Business Efficiency and Redundancy Scheme	1.000	0.000	0.000	0.731		0.269
Cross-Cutting	Challenge Panels and Agency Levy: Reducing Overtime, Additional Payments & Agency Staffing	0.500	0.000	0.000	0.500		
Homes and Neighbourhoods	Align the operations of the out of hours Anti-Social Behaviour service and the commissioned Patrolling and ASB Enforcement service (currently operated by Parkguard) to achieve efficiency savings	0.030	0.040	0.000	-	-	0.030
Environment and Climate Change	Increase in statutory Pavement License Fees in line with central government legislation.	0.015	-	0.000	0.015		

APPENDIX 3 - DELIVERY PROGRESS OF 2024/25
GENERAL FUND AGREED SAVINGS

Directorate	Summary Description	Planned Delivery			Amount forecast to be delivered in 2024/25 £m	Amount Forecast Undeliverable but offset by other variances 2024/25 £m	Amount Forecast Undeliverable £m
		2024/25 £m	2025/26 £m	2026/27 £m			
Homes and Neighbourhoods	Reconfigure and target the Out of Hours, Anti-Social Behaviour and Noise Service, changing the service timings.	0.100	-	0.000	-	-	0.100
