Since the licence was last revoked in March 2012 there have been four applications for new premises licences. Two were withdrawn following representation and two were refused by Licensing Sub Committee. The main concerns were about the lack of experience of the applicants to manage the gang related issues in the area.

3.2 Papers are attached as follows:-

Appendix 1: application form;

Appendix 2: representation;

Appendix 3 suggested conditions and map of premises location.

### 4. Planning Implications

4.1 No adverse observations have been received from Planning regarding this new application.

### 5 Recommendations

5.1 To determine the application for a new premises licence under Section 17 of the Licensing Act 2003.

5.2 If the Committee grants the application it should be subject to:

i. conditions prepared by the Licensing Officer which are consistent with the Operating Schedule (see appendix 4)

ii. any conditions deemed appropriate by the Committee to promote the four licensing objectives.(see appendix 4)

### 6 Conclusion and reasons for recommendations

6.1 The Council is required to consider this application in the light of all relevant information, and if approval is given, it may attach such conditions as appropriate to promote the licensing objectives.

**Subject:** licence application 89-91 Holland Walk N19 3XU Ref: WK/201462277

Dear sir

I am against a licence being granted for the following reasons:

1. **Prevention of crime and disorder.** There are already gangs of youths causing trouble on the Elthorne Estate and if they could get alcohol without going too far, I think there will be even more trouble.
2. **Prevention of public nuisance.** Last time there was a licence for these premises many youths gained access to alcohol (and drugs) and congregated around the premises exhibiting aggressive behaviour to passersby. The elderly in particular were intimidated.
3. **Public Safety.** I cannot accept that the new licensee will be able to control disorderly conduct or prevent underage youths getting access to alcohol. There are enough places already where alcohol is sold ie Hornsey Road, Holloway Rd, why do we need another one.

Regards

**Suggested conditions of approval consistent with the operating schedule**

1. The premises supervisor shall be on sight at all times during the hours permitted for the sale of alcohol.
2. The store shall be managed and manned by trained members of staff.
3. Underage prosecution signs shall be clearly displayed and visible within the store at the point of sale.
4. A till prompt shall be used to ask staff to carry out proof of age checks on items that are age restricted.
5. The Nisa Group shall carry out random checks by the area manager and mystery customers visits to check internal systems and ensure that the store and staff are fully up to date and weaknesses are highlighted where relevant.
6. The "Challenge 25" policy shall be fully integrated into the store and staff training manuals.
7. People suspected of purchasing alcohol for under age children shall be banned from the store.
8. Fire exits and relevant signage shall be clearly displayed and visible.
9. Staff shall be given induction training in cases of fire hazards and public assembly points shall be allocated in case of emergency.
10. A fully operational first aid kit shall be kept on site at all times.
11. Loitering outside the store shall be banned to prevent noise and general nuisance.
12. All members of staff shall be trained and retrained at periodical refresher training sessions.

**Conditions proposed by the Trading Standards Officer**

13. No spirits shall be purchased in a resealed box, without thorough checks being made to ensure it is legal to sell.
14. The licensee will immediately report to Trading Standards any instance of a caller to the shop attempting to sell alcohol.
15. Only alcoholic drinks which are detailed on invoices will be purchased or accepted as part of a 'free' offer. Invoices (or copies) for all alcoholic goods on the premises will be made available to officers from the council, police or HMRC upon request.
16. An ultra-violet light will be available at the premises for the purpose of checking the UK Duty Stamp on spirits as soon as practical after they have been purchased.
17. If any spirits bought by the business have UK Duty Stamps that do not fluoresce under ultra-violet light, or are otherwise suspicious, the licensee shall identify the supplier to Islington Trading Standards as soon as possible.
18. The licensee shall adopt 'Challenge 25', the Retail of Alcohol Standards Group's advice for off-licences, and promote it through the prominent display of posters.
19. The licensee shall ensure that staff are trained about age restricted products and ensure that they sign to confirm that they have understood the training. The training shall include the assessment of age; making a challenge; acceptable proof of age; and recording refusals. The licensee shall keep records of training and instructions given to staff, detailing the areas covered, and make them available for inspection upon request by the licensing team, police or trading standards.
20. The licensee shall put arrangements in place to ensure that before serving alcohol to persons they believe to be less than 25, staff ask to see accredited proof of age: that is, proof of age cards

carrying the 'PASS' logo (and no others), a Passport, or UK Driving Licence bearing the photograph and date of birth of the bearer.

21. The licensee shall require staff to note any refusals to sell to young people in a refusals log. The refusals log shall be checked and signed monthly by the designated premises supervisor. The refusals log shall be made available for inspection upon request by the licensing team, police or trading standards.

**Conditions proposed by the Police**

22. CCTV shall be installed, operated and maintained in agreement with the Police. Maintained means that the system will be regularly serviced (at least once a year) and checked every two weeks to ensure that it is storing images correctly and a log kept and signed by a Supervisor to this effect. The system will provide an identifiable full head and shoulder image of everyone entering the premises and will operate in any light conditions within the premises. The system will cover the full exterior of the premises and shall record in real time, date and time stamped and will operate whilst the premises is open for licensable activities. The recordings will be kept for a minimum of 31 days and copies will be made available to an Authorised Officer or a Police Officer (subject to the Data Protection Act 1998) within 24hrs of any request free of charge. There will always be a member of staff on duty who can operate the system, to allow Officers to view recordings and if required by a Police Officer, provide a copy of images immediately free of charge to assist in the immediate investigation of offences. If the system malfunctions and will not be operating for longer than one day of business then Police must be informed.
23. No high strength beer, lager or cider of 6.5% abv or above shall be sold other than premium beer, lager or cider priced at £1.95 or above per 500ml.
24. The premises shall have a panic button directly linked to the local Police station.
