Sadiq Khan @SadiqKhan

I'm urging #Fabric, the Met & Islington to find an approach that protects clubbers' safety & the future of the club.

29 Aug 2016 — Dear Jacob,

Thank you for writing to me about the future of Fabric and London's night time economy.

London's iconic clubs are an essential part of our cultural landscape. As Mayor, I'm determined to do more to protect them, as well as our theatres, live music venues, artists workspaces, historic buildings and pubs. It is so important that people are able to enjoy a fun and safe night out in the capital.

As part of our wider plan to support the night time economy, I will appoint a Night Czar to lead this work by bringing together key stakeholders including club and venue owners, planning and licensing authorities, the Metropolitan Police and members of the public. No single organisation or public body can solve these problems alone – we all need to work together to ensure London thrives as a 24-hour city, in a way that is safe and enjoyable for everyone.

I am committed to using the influence of my office to overcome the numerous challenges facing the night time economy. However, it is important to note that City Hall does not have the power to intervene in licensing cases like the current situation with Fabric.

Clubbing needs to be safe. There have been two tragic deaths at Fabric over recent months and there are clearly issues that need addressing.

http://www.islingtongazette.co.uk/news/fabric_drug_deaths_damning_dossier_reveals_scale_of_substance_abuse_inside_farringdon_superclub_1_4674138

Fabric, the Metropolitan Police and Islington will of course have to take real action to protect the safety of everyone who enjoys a night out at the club.

My team have spoken to all involved in the current situation and I am urging them to find a common sense solution that ensures the club remains open while protecting the safety of those who want to enjoy London's clubbing scene.

I welcome your call for us all to work together – City Hall, London's music venues, local authorities, the police and others – to make our clubs safer while also protecting our night time economy.

Best wishes,

Sadiq Khan
Mayor of London

Time to stop this murder by government & its pathetically out dated draconian drugs policy which only ensures something that could be incredibly safe instead, is made as dangerous as it possibly can be... The clubs should not be held responsible for the choices of individuals made lethal by the policy of governments... Time to grow up, control, make safe & educate. Prohibition where there's legitimate demand is murder by state.

I think Fabric do everything in their power to keep it a safe place over the 20 odd years it been open. Unless you strip search every person which is highly unreasonable you will never resolve the matter. People freedom of choice to take stuff will happen take stuff on the tubes buses, shop doors, public places before even entering clubs.

Please allow me to explain. How will closing Fabric possibly make the streets of London Safe. Knife crime is on the up and guns shots and if you think by closing Fabric this will make people safe. I think you could possibly be wrong. Where will 3000 people on the weekend go ? I ask you this question and I await your reply..... Clubs will go underground, you will have illegal raves popping up everywhere, security will not be licensed and drugs will go underground, street crime will go up, At least I know that if my children do want to go clubbing, as we have all been young once !! they can go to Fabric and be safe. My mother died just 5 years ago from alcohol so readily available 24hrs a day yet who do I blame. The shop for selling it to her, the government for allowing it to be so readily available, or the addict that couldn't stop drinking ? We have already seen 5 lives lost in the South Coast this week, with no life guards ! 1 person dies at Leeds Festival and 4 stabbings at the Nottingham Carnival. If the Met Police think closing this club is going to save them a job then think again. Alcohol was banned back some years ago and it went underground. This is a serious danger to the community and our nightlife and culture.

On a positive note lets see what Fabric does for the community

Its brings in tourism - people come on city breaks, Taxi's have jobs, Hotels stay open, Shops sell sweets, Culture (LONDON), Night Tube, Buses, Restaurants, Oyster the list goes on...

What I would like to see is you make the streets a safer place. How many homeless people die on your streets everyday, how many gun shots are fired everyday, how many people are stabbed everyday, What is your street crime statistics ? and how many streets get closed down ???

Islington Council and Met Police I await your reply.

Kind regards ..... Claire Francis

Fabric's closure makes no sense at all. If we follow the same logic we should change government or call for a general election every time MP's or

F017/REV1/JUN12 - Version No.1 - Revision Date: N/A

CCTV estimate summary

Hardware:

See attached quote from JMC Security including brief spec of equipment – total of £6,962 + VAT

Full spec also attached for cameras and NVR

Labour:

2 x CCTV engineers @ £600 + VAT per day. Expected to last 5 days - £3,000 + VAT
1 x IT engineer @ £250 + VAT per day. Expected to last 3 days - £750 + VAT
1 x Electrician @ £500 + Vat per day. Expected to last 3 days - £1,500 + VAT

Other materials:

6 x 5 amp power supply boards @ £350 + VAT each - £2,100 + VAT
Misc equipment (switches, cabling, ports) - £1,000 + VAT

Total cost of installation - £15,312 + VAT

VC236-AEL
2MP Ultra-low Light Smart PTZ Camera

HD | **WDR** | **Intelligent Positioning** | |

smart TRACKING | **smart** | **smart** | **smart** | **smart DEFOG**

smart PTZ

Hikvision Darkfighter series VC236-AEL smart PTZ dome cameras are able to capture high quality colored images in dim light environment with its cutting-edge low illumination level down to 0.002Lux (color). Embedded with 1/1.9'' progressive scan CMOS chip makes true WDR (120dB) and 2MP real-time resolution possible. With the 36X optical zoom Day/Night lens, the camera offers more details over expansive areas.

The Darkfighter PTZ camera also features a wide range of smart functions, including face detection, intrusion detection, line crossing detection and audio exception, benefitting users with great improvement on security efficiency, more importantly, with key events / objects being recorded for further forensic needs. These features, combined with smart tracking, which enables the camera to detect any progressively moving object and follow it within the camera's area of coverage without fault. Smart Defog and EIS (Electronic Image Stabilizer) are further supported to improve image quality in challenging conditions.

Key Features

- 1/1.9" HD CMOS sensor
- Optical Defog
- 2MP(1920*1080) Full HD
- 36X Optical Zoom
- Ultra-low illumination
- 120dB True WDR
- Smart Tracking
- Smart Detection
- Electronic Image Stabilizer(EIS)
- Hi-PoE / 24VAC power supply

VC236-AEL
2MP Ultra-low Light Smart PTZ

DARKFIGHTER

Function Description

Basic function:
- High performance CMOS, up to 1920x1080 resolution, configuration flexibility in its resolution
- ±0.1° Preset Accuracy
- ONVIF(Open Network Video Interface Forum), CGI(Common Gateway Interface), PSIA(Physical Security Interoperability Alliance), to ensure greater interoperability between different platforms and compatibility
- 3D intelligent positioning function
- 3D DNR
- IP66 standard
- 7 alarm inputs and 2 alarm outputs
- Scheduled PTZ movement
- Built for monitoring 7x24x365

Smart function:
- Smart tracking modes: Manual/ Panorama/ Intrusion trigger/ Line crossing trigger/ Region entrance trigger/ Region exiting trigger, support smart tracking when patrol between multiple scenarios
- Smart detection: support Face detection, Intrusion detection, Line crossing detection, Audio exception detection, Region entrance detection, Region exiting detection
- Smart recording: support edge recording, support dual-VCA for smart search in smart NVR
- Smart image processing: support optical defog, HLC, EIS
- Smart codec: low bit rate, ROI

Camera function:
- Auto iris, auto focus, auto white balance, backlight compensation and auto day & night switch
- Min. Illumination: 0.002Lux@(F1.5,AGC ON)(Color), 0.0002Lux@(F1.5,AGC ON)(B/W)
- Support privacy mask with multiple colors and mosaics on polygonal areas

PTZ function:
- From 0° to 360° endless pan range and from -10° to 190° tilt range
- 540°/s Pan Preset Speed and 400°/s Tilt Preset Speed
- 0.1° ~ 300°/s Manual Pan Speed and 0.1° ~ 240°/s Manual Tilt Speed
- 300 presets programmable; preset image freezing capability
- 8 patrols, up to 32 presets per patrol
- 4 patterns, with the recording time not less than 10 minutes per pattern
- Proportional zoom function
- Park action: auto call up of PTZ movement, after a defined time of inactivity
- Power-off memory: restore PTZ & Lens status after reboot

Network function:
- H.264+/ Advanced H.264/H.264/MJPEG/MPEG4 video compression
- H.264 encoding with Baseline/Main/High profile
- ROI(Region of Interest) encoding(support 24 areas with adjustable levels)
- Built-in Web server
- Onboard storage, up to 128GB
- Support up to 8 NAS storage; Edge recording(transmit the videos from SD card to the NAS after network resumed)
- HTTPS encryption and IEEE 802.1X port-based network access control
- Support 3 Simultaneous Video streams
- Multiple network protocols supported: IPv4/Ipv6, HTTP, HTTPS, 802.1X, QoS, FTP, SMTP, UPnP, SNMP, DNS, DDNS, NTP, RTSP, RTP, TCP, UDP, IGMP, ICMP, DHCP, PPPoE, Multicasting
- 1 audio input and 1 audio output, Two-way audio

DS-7604NI-E1/4P and DS-7600NI-E2/8P (16P) series NVR

Introduction:

DS-7600NI-E1/4P and DS-7600NI-E2/8P (16P) series NVR (Network Video Recorder) is a new generation recorder developed by Hikvision independently. Combined with multiple advanced technologies, such as audio and video decoding technology, embedded system technology, storage technology, network technology and intelligent technology. It can both work alone as a recorder and cooperate with other device to form a comprehensive surveillance system.

The DS-7600NI-E1/4P and DS-7600NI-E2/8P (16P) series NVR are widely applied in the areas of finance, public security, military, communication, transportation, education, etc.
Available Models:

DS-7604NI-E1/4P;

DS-7608NI-E2/8P, DS-7616NI-E2/8P, DS-7632NI-E2/8P;

DS-7616NI-E2/16P, DS-7632NI-E2/16P.

Main Features:

- Connectable to the third-party network cameras like like ACTI, Arecont, AXIS, Bosch, Brickcom, Canon, ONVIF, PANASONIC, Pelco, PSIA, SAMSUNG, SANYO, SONY, Vivotek and ZAVIO.
- 4/8/16/32 network cameras can be connected for different models.
- Support live view, storage, and playback of the connected camera with up to the resolution of 6 megapixels.
- Simultaneous HDMI and VGA outputs at up to 1920×1080 resolution.
- New GUI and support starting record with one key.
- Multiple recording types: manual, continuous, alarm, motion, motion | alarm, motion & alarm.
- Realize instant playback for assigned channel during multi-channel display mode.
- Customization of tags, searching, and playing back by tags.
- Playback by sub-periods.
- Locking and unlocking record files.
- Support HDD quota mode; different capacity can be assigned to different channel.
- Up to 2 SATA hard disks can be connected with up to 4TB capacity for each.
- 1 self-adaptive 10M/100M/1000M network interface is provided.
- Up to 4/8/16 independent PoE network interfaces for different models.
- Support Hikvision DDNS (Dynamic Domain Name System).
- Support network detection, including network delay, packet loss, etc.
- Support enabling H.264+ to ensure high video quality with lowered bitrate.
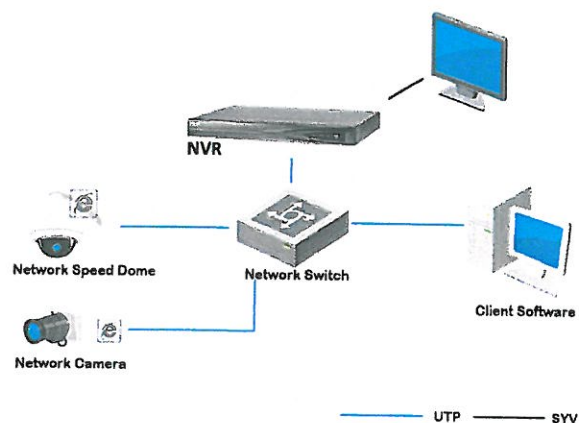

Physical Interfaces:

DS-7600NI-E1/4P

DS-7600NI-E2/8P

NOTE The rear panel of DS-7616NI-E2/16P and DS-7632NI-E2/16P provides 16 independent 100 Mbps PoE network interfaces.

Specifications:

Model		DS-7604NI-E1/4P	DS-7608NI-E2/8P
Video/Audio input	IP video input	4-ch	8-ch
	Two-way audio input	1-ch, RCA (2.0 Vp-p, 1kΩ)	
Network	Incoming bandwidth	40Mbps	80Mbps
	Outgoing bandwidth	80Mbps	
	Remote connection	32	128
Video/Audio output	Recording resolution	6MP/5MP/3MP/1080P/UXGA/720P/VGA/4CIF/DCIF/2CIF/CIF/QCIF	
	Frame rate	Main stream: 50 fps (P) / 60 fps (N)	
		Sub-stream: 50 fps (P) / 60 fps (N)	
	HDMI/VGA output	1-ch, resolution: 1920 × 1080 /60Hz, 1600 × 1200 /60Hz, 1280 × 1024 /60Hz, 1280 × 720 /60Hz, 1024 × 768 /60Hz	
	Audio output	1-ch, RCA (Linear, 1kΩ)	
Decoding	Live view / Playback resolution	6MP/5MP/3MP/1080P/UXGA/720P/VGA/4CIF/DCIF/2CIF/CIF/QCIF	
	Capability	4-ch@1080P	8-ch@720P, 6-ch@1080P
Hard disk	SATA	1 SATA interface for 1 HDD	2 SATA interfaces for 2 HDDs
	Capacity	Up to 4TB for each disk	
External interface	Network interface	1 RJ-45 10 /100 /1000 Mbps self-adaptive Ethernet interface	
	USB interface	1 × USB 2.0 and 1 × USB 3.0	
	Alarm in/out (Optional)	4 / 1	
PoE	Interface	4 independent 100 Mbps PoE network interfaces	8 independent 100 Mbps PoE network interfaces
	Max. Power	50W	120W
	Supported standard	AF and AT	
General	Power supply	48V DC	100~240V AC
	Consumption (without hard disk and PoE)	≤10W	
	Working temperature	-10 ℃ ~ +55 ℃ (+14 ℉~ + 131 ℉)	
	Working humidity	10 % ~ 90 %	
	Chassis	1U chassis	19-inch rack-mounted 1U chassis
	Dimensions (W × D × H)	315 × 230 × 45mm (12.4"×9.1"×1.8")	445 × 290 × 45mm (17.5" × 11.4" × 1.8")
	Weight (without hard disk)	≤ 1 kg (2.2 lb)	

Model		DS-7616NI-E2/8P	DS-7632NI-E2/8P	DS-7616NI-E2/16P	DS-7632NI-E2/16P

	Weight (without hard disk)	≤ 1 kg (2.2 lb)			

TIMELINE

- 18th December 2014 - First review of Premises Licence
- 7th - 11th December 2015 - Successful Appeal at Islington Magistrates Court
- 2nd February 2016 - Meeting to re-set the relationship with Fabric, Police and Licensing Authority
- 26th June 2016 - Death at premises
- 2nd July 2016 - Central Licensing visit for EVA Report
- 5th August 2016 - Meeting set up with the Licensing Authority and Islington Police to go through the EVA Report – due to be 22/08/2016. Cancelled due to other events
- 6th August 2016 - EVA Report delivered to Fabric
- 6th August 2016 - Death at Premises
- 6th August 2016 - Meeting set up with Borough Commander and Chief Inspector Howells for Tuesday 16th August - Cancelled due to other events
- 10th August 2016 - Summary Review launched
- 12th August 2016 - Interim Steps suspension
- 18th August 2016 - Meeting with police and council at Islington Police Station
- 25th August 2016 - Meeting with police and council at Islington Police Station
- 6th September 2016 - Representations against the Interim Steps
- 6th September 2016 - Final Review
