

COUNCIL MEETING – 15 SEPTEMBER

QUESTIONS FROM MEMBERS OF THE COUNCIL
--

- a Councillor Poyser to Councillor Hull, Executive Member for Finance, Performance and Community Safety

The recent murder in Hillrise Ward came as a huge shock to the community and the local councillors. The thoughts and feelings of all councillors go out to the family of the victim. It is now naturally a matter for the police to investigate swiftly and fairly, and speculation as to the perpetrator or perpetrators of the crime are a matter for the courts and not a public discussion which could prejudice the legal process. In the light of his previous answer at a council meeting earlier this year on the victim of a shotgun, also in Hillrise Ward, could Councillor Hull give us reassurance that the Council is taking appropriate steps to work with the police to reassure local people that we will do our utmost to try to ensure this does not happen again?

- b Councillor Russell to Councillor Comer-Schwartz, Executive Member for Community Development

Will Islington Council be following Sadiq Khan's recommendation and take action to save Fabric Nightclub?

- C Councillor Russell to Councillor Burgess, Executive Member for Health and Social Care

Do you agree with the words of a petition supporter of the Early Dementia Service at St Luke's Community Centre, that "this is a vital service which helps provide continued self-respect and independence to members and is ultimately cost effective as well"?

- d Councillor Ismail to Councillor Caluori, Executive Member for Children, Young People and Families

In light of recent A level achievements - does the Council keep a track record of young people who live in Islington and those who went to Islington Schools and achieved University degrees, after the Council has invested so much?
