

PLANNING COMMITTEE REPORT

PLANNING SUB COMMITTEE A		AGENDA ITEM NO:
Date:	Tuesday, 01 November 2016	NON-EXEMPT

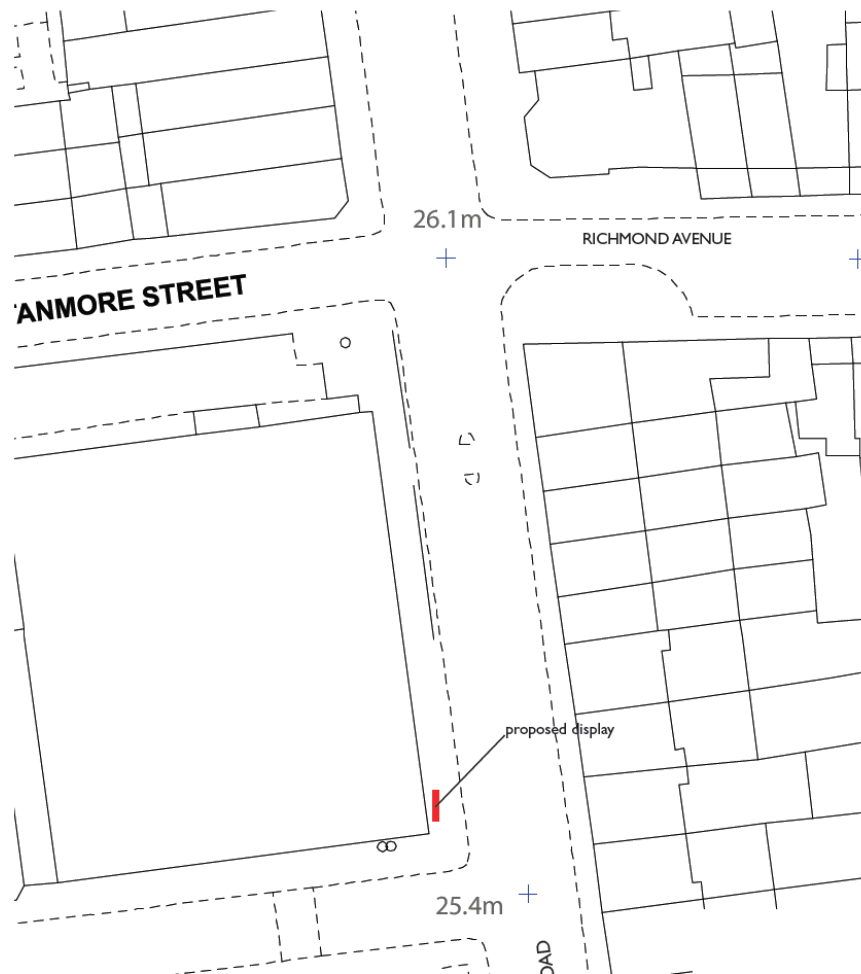

Application number	P2015/4848/ADV
Application type	Advertisement Consent
Ward	Caledonian
Listed building	Not listed
Conservation area	N/A
Development Plan Context	Core Strategy Key Areas- Kings Cross & Pentonvillie Road Local Views- Archway Bridge Local Views- Archway Bridge Within 100m of a SRN road Within 50m of a Conservation Area - Barnsbury
Licensing Implications	N/A
Site Address	Land to corner of Caledonian Road and Twyford Street, 229 Caledonian Road London N1 0NH
Proposal	Installation of freestanding internally illuminated advertisement display panel (6 sheet) on the pavement on the corner of Caledonian Road and Twyford Street

Case Officer	Daniel Power
Applicant	J Foster Architects
Agent	J Foster Architects

1. RECOMMENDATION

The Committee is asked to resolve to **GRANT** advertisement consent subject to the conditions set out in Appendix 1.

2. SITE PLAN

3. PHOTOS OF SITE/STREET

Image 1: Location of sign

4. SUMMARY

- 4.1 Advertisement consent is sought for the installation of a free standing internally illuminated advertisement display panel (6 sheet) on the pavement close to the corner of Twyford Street and Caledonian Road.

- 4.2 The application is brought to committee because it is a Council-own development.
- 4.3 The proposed advertisement display panel will neither harm the character or appearance of the adjacent buildings nor the wider street scene, nor will it materially affect the amenity of adjacent residents or have a detrimental impact on pedestrian and highways safety.
- 4.4 It is recommended that advertisement consent be granted subject to conditions.

5. SITE AND SURROUNDING

- 5.1 The application site is located close to the corner of Twyford Street and Caledonian Road, against the wall of the Cally pool and gym building. The site is located to the north of a petrol filling station, to the east of the site is a terrace of grade II listed buildings. The sign would be located against the existing building opposite an existing lamp post, tree and parking machine. The pool and gym building is a single storey flat roof building, half red brick and half painted metal. Twyford Street to the south has a number of phone boxes and telephone cabinets, with a petrol filling station to the south of Twyford Street, which has a number of adverts and signage.
- 5.2 The building is not listed and not within a conservation area, but the area to the east of the application site lies within Barnsbury Conservation Area.

6. PROPOSAL (IN DETAIL)

- 6.1 Advertisement consent is sought for the installation of a freestanding internally illuminated advertisement display panel (6 sheet) on the pavement at the junction between Rosebery and Garnault Place.
- 6.2 The proposed sign will measure a maximum of 2.695 metres in height, 1.37 metres in width and 0.24 metres in depth. The visible area of the digital screen display will measure 1.15 metres in width and 1.76 metres in height. The proposed display will be internally illuminated and the LED backlit display brightness will be fully adjustable to distinguish between day and night ambient levels.

7. RELEVANT HISTORY:

PLANNING APPLICATIONS:

- 7.1 None

ENFORCEMENT:

- 7.2 None

PRE-APPLICATION ADVICE:

- 7.3 None

8. CONSULTATION

Public Consultation

- 8.1 Letters were sent to 38 occupants of adjoining and nearby properties at Caledonian road and Richmond Avenue on the 08/08/16 with a site notice was placed outside the site on 18/08/16. The consultation therefore expires on 08/09/16. At the time of the writing of this report no letters of objection had been received from the public with regards to the application.

Internal Consultees

8.2 **Highways:** No Comments received.

External Consultees

8.3 **Transport for London:** TFL are not the highway authority for Caledonian Road and therefore had no observations on the proposals.

9. RELEVANT POLICIES

Details of all relevant policies and guidance notes are attached in Appendix 2. This report considers the proposal against the following development plan documents.

National Guidance

9.1 The National Planning Policy Framework 2012 and Planning Policy Guidance seek to secure positive growth in a way that effectively balances economic, environmental and social progress for this and future generations. The NPPF and PPG are material considerations and have been taken into account as part of the assessment of these proposals. Development Plan

Development Plan

9.2 The Development Plan is comprised of the London Plan 2015 (Consolidated with Alterations since 2011), Islington Core Strategy 2011, Development Management Policies 2013, The Finsbury Local Plan 2013 and Site Allocations 2013. The policies of the Development Plan that are considered relevant to this application are listed at Appendix 2 to this report.

Supplementary Planning Guidance (SPG) / Document (SPD)

9.4 The SPGs and/or SPDs which are considered relevant are listed in Appendix 2.

10. ASSESSMENT

10.1 The main issues arising from this proposal relate to:

- Amenity
- Highways Safety

Amenity

10.2 Islington's Planning Policies and Guidance encourage high quality design which complements the character of an area. In particular, policy DM2.1 of Islington's adopted Development Management Policies requires all forms of development to be high quality, incorporating inclusive design principles while making a positive contribution to the local character and distinctiveness of an area based upon an understanding and evaluation of its defining characteristics. Furthermore, Development Management Policy DM2.6 requires all advertisements to be of a high standard and contribute to a safe and attractive environment. Any new sign should not cause a public safety hazard or contribute to a loss of amenity and should be appropriate to the building,

10.3 The application site is not located in a conservation area, although the site is located within close proximity to the Barnsbury Conservation Area, with a terrace of grade II listed buildings to the east of the site. While the site is not located within a conservation area or attached to a listed building, it is important to ensure that any new signage would not have a detrimental impact on amenity.

10.4 The proposed advertisement sign will be positioned against the Cally Pool & Gym, opposite an existing lamp post, tree and parking machine. Caledonian Road marks a clear distinction between the Conservation Area of Barnsbury and the terrace of listed buildings on the eastern side and the more modern pool & gym, and petrol filling station on the western side. The proposal would sit within the context of the Cally Pool which has existing advertisements. Given the

immediate context of the Cally Pool & Gym, it is considered that the proposal would not result in visual clutter along the street context which includes the residential terrace opposite and the petrol filling station to the south. In addition given the distance and the context on the proposal it is considered that the sign would not have a detrimental impact on the setting of the listed terrace opposite.

- 10.5 The proposed sign will measure 2.695 metres in height and would be set against the existing building and set back from the edge of the highway. It is considered that when viewed against the back drop of the modern pool & gym building, the proposed advertisement sign will not create an overly dominant feature that would have a detrimental impact on amenity. Furthermore, given the distance from the residential properties on the other side of Caledonian Road and the recommended condition with regard to its illumination, it is not considered that the sign, by reason of its illumination, would have a detrimental impact on amenity.
- 10.6 Given the above, the proposal is considered to be consistent with the aims of Council objectives on design and in accordance with policies 7.4 (Character) of the London Plan 2015, CS8 (Enhancing Islington's character) of the Core Strategy 2011 and Development Management Policies DM2.1 and DM2.6.

Highways Safety

- 10.7 It should be ensured that all new advertisement signs do not cause a hazard to pedestrians or road users, as a result of their visual dominance and method of illumination, in accordance with policy DM2.6 of the Islington Development Management Policies 2013.
- 10.8 The proposed sign will be internally illuminated, will not have flashing illumination and will have an LED backlit display brightness which can be adjusted to suit the day/night ambient levels. The sign will be located on a wide pavement and will be set back from the main pedestrian route to ensure there are no public safety hazards and maintain the free flow of pedestrian traffic. Given the signs location and the recommended conditions it is considered that the advert would not have a detrimental impact on highways safety. The proposal is therefore considered not to cause a hazard to pedestrians or road users in line with policy DM2.6 of the Islington Development Management Policies June 2013.

11.0 SUMMARY AND CONCLUSION

Summary

- 11.1 The proposed advertisement display panel is considered to be acceptable with regards to amenity and highways safety.
- 11.2 In accordance with the above assessment, it is considered that the proposed development is consistent with the policies of the London Plan, the Islington Core Strategy, the Islington Development Plan and associated Supplementary Planning Documents and should be approved accordingly.

Conclusion

- 11.3 It is recommended that planning permission be granted subject to conditions as set out in Appendix 1 – RECOMMENDATIONS.

APPENDIX 1 – RECOMMENDATIONS

RECOMMENDATION A

That the grant of planning permission be subject to conditions to secure the following:

List of Conditions

1	Standard advertisement conditions
	<p>CONDITION: Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a clean and tidy condition to the reasonable satisfaction of the Local Planning Authority.</p> <p>Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.</p> <p>Where an advertisement is required under these Regulations to be removed, the removal shall be carried out to the reasonable satisfaction of the Local Planning Authority.</p> <p>No advertisement is to be displayed without permission of the owner of the site or any other people with an interest in the site entitled to grant permission.</p> <p>No advertisement shall be sited or displayed so as to obscure, or hinder the ready interpretation of any road traffic sign, railway signal or aid to navigation by water or air, or so as otherwise to render hazardous the use of any highway, railway, waterway (including any coastal waters) or aerodrome (civil or military).</p>
2	Luminance
	<p>CONDITION: The advertisement display(s) shall be statically illuminated and the illumination shall not exceed a maximum steady brightness of 300 candelas per square metre during the hours of darkness consistent with the guidance set out in the Institute of Lighting Professionals (ILP) publication: “The Brightness of Illuminated Advertisements” (PLG05, January 2015).</p> <p>The advertisement displays shall be carried out strictly in accordance with the details so approved and shall be maintained as such thereafter.</p> <p>REASON: In the interests of visual amenity and highway safety.</p>
3	Display time
	<p>CONDITION: The minimum display time for each advertisement shall be 10 seconds, the use of message sequencing for the same product is prohibited and the advertisements shall not include features/equipment which would allow interactive messages/advertisements to be displayed.</p> <p>REASON: In the interests of visual amenity and highway safety.</p>
4	Special effects
	<p>CONDITION: There shall be no special effects (including noise, smell, smoke, animation, exposed cold cathode tubing, flashing, scrolling, three dimensional, intermittent or video elements) of any kind during the time that any message is displayed.</p> <p>REASON: In the interests of visual amenity and highway safety.</p>
5	Display functions
	<p>CONDITION: The interval between successive displays shall be instantaneous (0.1 seconds or less), the complete screen shall change, there shall be no visual effects (including fading, swiping or other animated transition methods) between</p>

	successive displays and the display will include a mechanism to freeze the image in the event of a malfunction.
6	Installation and maintenance
	<p>CONDITION: The footway and carriageway on the TLRN and SRN must not be blocked during the installation and maintenance of the advertising panel. Temporary obstruction during the installation must be kept to a minimum and should not encroach on the clear space needed to provide safe passage for pedestrians, or obstruct the flow of traffic.</p> <p>REASON: In the interests of highway safety.</p>

List of Informatives:

1	Positive statement
	<p>To assist applicants in a positive manner, the Local Planning Authority has produced policies and written guidance, all of which is available on the Council's website.</p> <p>A pre-application advice service is also offered and encouraged. The LPA and the applicant have worked positively and proactively in a collaborative manner through both the pre-application and the application stages to deliver an acceptable development in accordance with the requirements of the NPPF.</p> <p>The LPA delivered the decision in a timely manner in accordance with the requirements of the NPPF.</p>

APPENDIX 2: RELEVANT POLICIES

This appendix lists all relevant development plan policies and guidance notes pertinent to the determination of this planning application.

1 National Guidance

The National Planning Policy Framework 2012 seeks to secure positive growth in a way that effectively balances economic, environmental and social progress for this and future generations. The NPPF is a material consideration and has been taken into account as part of the assessment of these proposals.

2. Development Plan

The Development Plan is comprised of the London Plan 2015, Islington Core Strategy 2011, Development Management Policies 2013 and the Finsbury Local Plan 2013. The following policies of the Development Plan are considered relevant to this application:

A) The London Plan 2015 - Spatial Development Strategy for Greater London

- 7 London's living places and spaces
 - Policy 7.4 Local character
 - Policy 7.6 Architecture

B) Islington Core Strategy 2011

Spatial Strategy

Policy CS8 (Enhancing Islington's Character)

Strategic Policies

Policy CS9 (Protecting and Enhancing Islington's Built and Historic Environment)

C) Development Management Policies June 2013

Design and Heritage

DM2.1 Design

DM2.6 Advertisements

3. Designations

The site has the following designations under the London Plan 2015, Islington Core Strategy 2011, Development Management Policies 2013, Finsbury Local Plan 2013 and Site Allocations 2013:

- Core Strategy Key Areas- Kings Cross & Pentonvillie Road
- Local Views- Archway Bridge
- Local Views- Archway Bridge
- Within 100m of a SRN road
- Within 50m of a Conservation Area
Barnsbury

4. Supplementary Planning Guidance (SPG) / Document (SPD)

The following SPGs and/or SPDs are relevant:

Islington Local Development Plan

Urban Design Guide (2006)
